\*\*\*\* There are several dates stamped on this file but I am going with 1944 (\*) because that is put in the main date part of the file and also matches with her other border crossing that had her as 38 in 1944 (the airline one).

For the field "my children under 16 traveling with me" it first says "None." Then on the next line it says Calle Dias Miron #101. Gives nearest relative as brother Genaro Escobedo. It says she is going to see Juan Doria at 1795 Logan Ave, San Diego, for pleasure 3/2 to 10/8/44. The date of file is 9/9/44.
