I guess when he got to the states he couldn't quite remember how old he was because his first US census is way off, giving birthdate as 1842, when the other three in Canada have been for 1851, 1850, and 1849

Hello Valerie
Here is what I found in the 1900 Obion Co. Tenn census on your family.
Note, Sarah gave her name as Sallie which is the diminutive for Sarah.

This is the only George that is close to matching ours - all
others are way too young (according to LDS full transcription of
the 1880 census)
The only thing is the birthplace of LA - but you know....

The following is from Vivian Rhodes, vrhodes@telus.net
