From the family of Pertenebian (sp?), Spain

Letter from Guadalupe (sp?) Doria (maiden name, sister to Jose) to Hertha Schulze said that the family of De La Llata was from Spain, and moved to Jimenez, Tamaulipas, Mexico. "Family included of Ramon, Andreas, Julio, Elsa, Senon. Another brother whose name is not given remain in Queretaro, Mexico."

Was photographed with husband in October of 1919; they gave one to Hertha, their daughter-in-law with this inscription:

"Para mis hyos Hattie y Pepe
la primera vive sobre la tierra
el segundo mor a all en elcielp;
pero para ambos es un resuerdo.

The first one lives on earth, the
second one lives in Heaven, but for
both this is a remembrance.
Manuel and Maclovia. The first at
the age of 65 and the second at the
age of 58."

Record found in LDS archives gives her christening as Nov 26, 1861 and parents as Ramon de la Llata and Maria Guadalupe Salinas. Christened at Los Cinco Senores, Santander Jimenez, Tamaulipas, Mexico
Gravestone, however, gives birth date as 15 Nov 1864.

La Fiesta de la Raza en Tijuana, Baja Cal.

Fue representado el opusculo historico "Colon", del Lic. Gorostieta

TIJUANA, Baja California, octubre 21.--En el salon de actos municipales de esta poblacion se efectuó una velada literario-musical, para celebrar el 427o. aniversario del descubrimiento de America. Fue el progresista Profesor, Sr. Dn. Manuel M. Doria. director de la Escuela Oficial de esta poblacion quien organizo esta fiesta, por acuerdo del Sr. Gobernador y con la cooperacion de las autoridades militares y civiles de Tijuana.

Los aplausos del numeroso publico que ocupaba el salon a las personas que tomaron parte en los diversos numeros del programa demostraron el grado con que fue recibido este homenaje al insigne descubridor.

El señor Ing. Rafael M. Tello, tuvo a su cargo el discurso oficial, desarrollo con habilidad el tema, haciendo referencia a la situación del mundo occidental en el siglo XV, a las ideas filosóficas y científicas que prevalecían en aquella época entre los elementos universitarios y los intelectuales, todas contrarias a las teorías que el ilustre genoves pretendía demostrar. Lo siguió en su peregrinación por las Cortes de la Europa Meridional solicitando ayuda pecuniaria y apoyo moral hasta lograrlos de la reina Isabel de Castilla, y describió su viaje y su llegada a la Isla de Guanahani. Hizo notar la influencia del descubrimiento en la evolución de la civilización europea y su efecto en la modificación de las tendencias de los europeos.

Un grupo de jóvenes y señoritas de la localidad llevó a la escena el opusculo dramático histórico "Colon" del Lic. Enrique Gorostieta. El primer cuadro se desarrolla a bordo de la "Santa María" el 11 de Octubre de 1492. La tripulación encabezada por un marinero (Sr. Enrique Romero) manifiesta su descontento y se niega a continuar el atrevido viaje hacia el Oeste, tratando de asesinar al Almirante para poderlo hacer. El Contramaestre (Sr. Manuel Legrand) toma la defensa del genoves, y logra que los conjurados difieran por un día el cumplimiento de sus amenazas.

Colon (Sr. Juan M. Doria) ve con tristeza que su genial empresa está a punto de perderse, lamenta esto más que el peligro que tiene de perder la vida, pero no pierde la esperanza. Su genio (Srita. María Amparo Villaescusa), lo anima y cuando termina el plazo logrado por el contramaestre los conspiradores están a punto de llevar a cabo sus siniestros propósitos, pero la voz de "tierra" da por el vigía de la carabela, hace cambiar la situación.

El 2o. cuando representa el desembarque en la Isla de Guanahani, el Almirante empuña el estandarte de la Cruz y el contramaestre, el de Castilla, y en nombre de los Reyes Católicos se toma posesión de la nueva tierra y del mar que la baña. Los genios de América (Srita. Victoria Villaescusa) y de Guanahani (Srita. Trinidad Romero) dan la bienvenida al Almirante y en unión de todos entonan un himno acontecimiento.

Un cuadro plástico en el que toman parte todos los actores del cuadro, y una poesía dicha con maestría por la Señorita María Doria, siguió a la pieza referida que fue recompensada con aplausos.

Las decoraciones fueron pintadas por el Sr. Saenz, Profesor de Dibujo de la escuela, y fueron muy gustadas por el público especialmente la del paisaje de la Isla, que tenía hermoso efecto.

El Director de escena, Sr. Prof. Alberto Morales es digno de aplausos por la propiedad con que montó el espectáculo y por su excelente dirección artística.

La Composición "América," leída por el Sr. Profesor I. Navarro, fue oída con agrado y la niña Silvia Picker lució sus habilidades coreográficas en un hermoso bailable que mereció la repetición.

Puede decirse que esta fiesta tuvo un éxito que debe satisfacer a sus infatigables organizadores, y a las personas que en ella tomaron parte.

The Fiesta de la Raza in Tijuana, Baja Cal.

The historical booklet "Colon", by Lic. Gorostieta was represented

TIJUANA, Baja California, October 21 .-- A literary-musical evening was held in the municipal assembly hall of this town, to celebrate the 427th. anniversary of the discovery of America. It was the progressive Professor, Mr. Dn. Manuel M. Doria. Director of the Official School of this town who organized this party, by agreement of the Governor and with the cooperation of the military and civil authorities of Tijuana.

The applause of the large public that occupied the room to the people who took part in the various numbers of the program demonstrated the degree to which this tribute to the distinguished discoverer was received.

Mr. Ing. Rafael M. Tello, was in charge of the official speech, skillfully developing the subject, making reference to the situation of the western world in the fifteenth century, to the philosophical and scientific ideas that prevailed at that time among the elements University students and intellectuals, all contrary to the theories that the illustrious Genoves tried to demonstrate. He followed him on his pilgrimage through the Courts of Southern Europe requesting pecuniary aid and moral support until he obtained them from Queen Elizabeth of Castile, and described his travel and arrival on the Island of Guanahani. He noted the influence of discovery on the evolution of European civilization and its effect on changing the trends of Europeans.

A group of young men and women from the town brought to the scene the historical dramatic booklet "Colon" by Lic. Enrique Gorostieta. The first painting takes place on board the "Santa María" on October 11, 1492. The crew headed by a sailor (Mr. Enrique Romero) manifests his misdemeanor

and refuses to continue the daring journey to the West, trying to assassinate the Admiral to be able to do it. The Petty Officer (Mr. Manuel Legrand) takes the defense of the Genoves, and makes the conspirators defer by one day the fulfillment of their threats.

Colon (Mr. Juan M. Doria) sadly sees that his brilliant company is about to be lost, he regrets this more than the danger he has of losing his life, but he does not lose hope. His genius (Miss Maria Amparo Villaescusa) encourages him and when the term achieved by the boatswain ends, the conspirators are about to carry out their sinister purposes, but the "land" voice gives for the watch of the caravel, makes the situation change.

The 2nd. When he represents the landing on the Island of Guanahani, the Admiral holds the standard of the Cross and the boatswain, that of Castile, and in the name of the Catholic Monarchs takes possession of the new land and the sea that bathes it. The geniuses of America (Miss. Victoria Villaescusa) and Guanahani (Miss. Trinidad Romero) welcome the Admiral and together they all sing a hymn event.

A plastic painting in which all the actors in the painting take part, and a poetry masterfully written by Senorita Maria Doria, followed the aforementioned piece which was rewarded with applause.

The decorations were painted by Mr. Saenz, Drawing Teacher of the school, and were very liked by the public, especially the one of the landscape of the Island, which had a beautiful effect.

The stage director, Mr. Prof. Alberto Morales, is applause for the property with which the show was staged and for his excellent artistic direction.

The Composition "America," read by Mr. Professor I. Navarro, was listened to with pleasure and the girl Silvia Picker showed off her choreographic skills in a beautiful dance that deserved repetition.

It can be said that this party was a success that must satisfy its tireless organizers, and the people who took part in it.

It looks like they moved to San Diego, CA sometime after Maria & Ramon were born, in the early 1900's. Maria and Ramon are probably the youngest, according to the 1920 census, this was 1917 for Manuel and 1918 for Maclovía. The photo taken of Manuel & Maclovía in 1919 (?) is stamped "Y. Shannon; San Diego." Not finding him on the 1933 directory of San Diego either (did find Alma, John N, and Manuel Jr).

On July 26, 1924, the mayor Joaquín L. Alanís certified that professor Manuel Ma. Doria served education for 46 years and gives him the title of "Educator and apostle of teaching".

On February 14, 1929 his lawful wife dies the teacher Maclovía de la Lata de Doria, director of school No. 1 of Linares. Then the prfr. Doria practiced as a teacher in Linares (1930-1932) and the last year, he was director, along with the prfr. Juan Montero, Escobedo School and Nervo. Then they would dissolve society and prfr. Dr. Ignacio Morones Prieto (who as a child was a student of Professor DORIA) and the municipal president, c. Francisco Candanosa Alanís. The Professor died at 100 years old.

Petition to Linares for support to make a chapel for the burial of Maclovía:

Deseo adquirir doce metros cuadrados de terreno en el panteon de esta Ciudad, con el objeto de erigir una pequena capilla sobre los restos de mi nunca bien llorada companera, cuya muerte tuve que lamentar en patria extrana.

Siendo escasos los recursos con que cuento para rendir ante postumo homenaje a la que fue noble esposa y madre modelo de virtudes y amor para mis hijos, me veo en la necesidad de acudir esa Honorable Corporacion para que cubra el valor de ese terreno se fija la cuota mas moderada que sea posible.

Para tal consideracion invoco mi largo perfodo de cuarenta y siete anos en las filas del Magisterio Nacional, desempenados con honradez y fervor circunstancia que me hace temer la certeza de no ver defraudadas mis esperanzas.

Hay sentimientos que el dolor mismo no permite exrernar ampliamente; para en nombre de ellos, bien interpretados por quienes llevan el corazon la nobleza y la generosidad, acudo a demandar esta gracia, que estoy seguro de ver cumplida dentro de mis aspiraciones.

Con la mas alta estima de mi gratitud, espero que la digna Autoridad representado por un ilustre Cuerpo, resolver de modo benevolo mi solicitud.

Protesto a Uds, el testimonio de mi profundo respeto.

Translation:

I wish to acquire twelve square meters of land in the pantheon of this City, with the aim of erecting a small chapel on the remains of my never well cried companera, whose death I had to lament in a strange homeland.

Being scarce the resources with which I count to render before posthumous tribute to the one who was noble wife and model mother of virtues and love for my children, I see myself in the need to go that Honorable Corporation so that it covers the value of that land the more moderate fee that is possible.

For such consideration I invoke my long period of forty-seven years in the ranks of the National Magisterium, performing with honesty and fervent circumstance that makes me fear the certainty of not seeing my hopes disappointed.

There are feelings that pain itself does not allow to extend widely; for in their name, well interpreted by those who carry the heart of nobility and generosity, I come to demand this grace, which I am sure to see fulfilled within my aspirations.

With the highest esteem of my gratitude, I hope that the worthy Authority represented by an illustrious Body, will solve my request in a benevolent manner.

I protest to you, the testimony of my deep respect.

Note: a) Marriage in 1915 states that she was 19 years old. Consistently gives birthdate as 1-22-1900 on border crossings in 1940/43/50/52. No age given on death certificate in 1981. 1930 census in Tamaulipas agrees with more like 1895 or 1896 (she was listed as 30), however, the second time on the census in Nuevo Leon, she's listed as being 30. Going to go ahead and take the birthdate from the border crossings for consistency. Though it stated she was 19 on marriage certificate, it would not be inconceivable for a 15-year-old to have gotten married at that time. But really probably need to change it to 1896. (1900 gets her too close to Raul in birth, and his is verified by records.)

Lived at same place Guadalupe did when she passed, thinking this is a nursing home as declarants are doctors and employees.

Marriage

In the City of Linares of the State of Nuevo Leon, on the nine days of June of nineteen hundred and fifteen before my Adolfo Pas Judge of the Civil Registry, Mr. Rogelio Cuellar appeared at the house of Senor Manuel Ma Doria, at 10 pm and Miss Rita E. Doria in order to celebrate their Marriage. The former is or equal to this and a twenty-one of the same, single, merchant of twenty-two years of age, legitimate son of Senor Felise Cuellar and Senora Ruperta Cuellar Jinade (?). The second is originally from Santander Jimenez Tamaulips and has been a neighbor of this since her childhood Ceibe (?), 19 years old, legitimate daughter of Mr. Professor Manuel Maria Doria and Mrs. Maclovia de la Llata. Her father at Mr Doria.
