From the family of Pertenecian (sp?), Spain
Letter from Guadelupe (sp?) Doria (maiden name, sister to Jose) to Hertha Schulze said that the family of De La Llata was from Spain, and moved to Jimenez, Tamaulipas, Mexico. "Family included of Ramon, Andreas, Julio, Elsa, Senon. Another brother whose name is not given remain in Queretaro, Mexico."

Was photographed with husband in October of 1919; they gave one to Hertha, their daughter-in-law with this inscription:
"Para mis hyos Hattie y Pepe

Note: [a)] User on familysearch.org claims birth 1841 (cannot be correct) in Jimenez, Tamaulipas. Same user claims death 1878 in same place.
And that mother's maiden name is Rodriguez. Same user states that parents were Adreas Antonio de la Llata (1819-1878) and Romona Rodriguez Montemayoy (1820-1878).
There are lots of issues with this tree on fs. It is also stated his wife Maria Guadelupe Salinas died in 1878.

User on familysearch.org also has another child named Maria Ramona de la Llata Salinas 9-9-1864-1921, christened 22 Feb 1864, all in the same areas of Jimenez. This user does not have the child Maria Herlinda Juliana de la Llata Salinas.

Sibling's names taken from a family letter written to Hattie (Schulze) Doria by Guadelupe Doria (sister to Jose):

In Spanish:
"Familia de la Llata esta familia salio de Espana y se radies en Mexico. En Jimennez Tamaulipos, segun sabimos abandona rom on Espana cou bienes, Pues parece huro un desacices de con la nobleca Espanola, a la cual ellos Pertenecian, se radica ron en Jimenes, Ramon, Andres, Julio, Eelsa y Senoma, otro hermano se guedo en Queretaro.
"En Jimenez Luero duenos de varios haciendas heran muy ricos. Muchos anos despucs, rioiendo nuestra familia en Linares, Publicaron un Edicto en la Prensa, diciendo que busavan a los decendientes de la familia de la Llata, Para que acudieran a recoger los bienes que abandona ron en aquel Pais.
"Mi madre no acudio, no sabermos de los demas. pero segun dicen fueron muy ricos capitalistas.

"Sr. Profesor Manuel MaDoria. Macio en Linares N.L. el 9 de Marzo da 1854. Murio el 23 de Diciembre de 1954. en Linares N.L Eyercio el Magisterio por mas de 64 anos. Decundia de una

rama del arbol geneologies del Principe Felipo Andrea Doria, de Genov Italia."

Rough translation thus far:
"The de la Llata family left Spain and moved to Mexico. They resided in Jimenez, Tamaulipas, They left with all of their possessions because it looks like they had problems with the Spanish nobility to which they belonged. Their names were Ramon, Andres, Julio, Elsa and Senoma. They had another brother that lived in Queretaro.
"In Jimenez they owned a lot of real state and became very wealthy. Several years later, my family in Linares published an edict in the newspaper saying that they were looking for descendants of the de la Llata family so they could claim the possessions that were left in that country.
"My mother did not go, and we don't know about the rest of the family. But we know they were very wealthy capitalists.

"Professor Manuel Madoria was born in Linares N.L. on March 9th, 1854. He died on December 23rd 1954 in Linares N.L. He worked as a professor for more than 64 yrs. He was a descendant of the family tree of Prince Felipo Andrea Doria of Genoa, Italy."

Possibly the siblings she speaks of are actually Ramon's siblings and not his children?

El senor Ing. Rafael M. Tello, tuvo a su cargo el discurso oficial, desarrollo con habilidad el tema, haciendo referencia a la situacion del mundo occidental en el siglo XV, a las ideas filosoficas y cientificas que prevalecian en aquella epoca entre los elementos universitarios y los intelectuales, todas contrarias a las teorias que el ilustre genoves pretendia demostrar. Lo siguio en su peregrinacion por las Cortes de la Europa Meridional solicitando ayuda pecuniaria y apoyo moral hasta lograrlos de la reina Isabel de Castilla, y describio su viajo y su llegada a la Isla de Guanahani. Hizo notar la influencia del descubrimiento en la evolucion de la civilizacion europea y su efecto en la modificacion de las tendencias de los europeos.

Un grupo de jovenes y senoritas de la localidad llevo a la escena el opusculo dramatico historico "Colon" del Lic. Enrique Gorostieta. El primer cuadro se desarrolla a bordo de la "Santa Maria" el 11 de Octubre de 1942. La tripulacion encabezada por un marinero (Sr. Enrique Romero) manifiesta su descentento y se niega a continuar el atrevido viaje hancia el Oeste, tratancdo asesinar al Almirante para poderlo hacer. El Contramaestre (Sr. Manuel Legrand) toma la defensa del genoves, y logra que los conjurados difieran por un dia el cumplimiento de sus amenazas.

Colon (Sr. Juan M. Doria) ve con tristeza que su genial empresa esta a punto de perderse, lamenta esto mas que el peligro que tiene de perder la vida, pero no pierde la esperanza. Su genio (Srita. Maria Amparo Villaescusa), lo anima y cuando termina ci plazo logrado por el contramaestre los conspiradores estan a punto de llevar a cabo sus siniestros propesitos, pero la vos de "tierra" da da por el vigria de la carabela, hace cambiar la situacion.

El 2o. cuando representa el desembarque en la Isla de Guanahani, el Almirante empuna el estandarte de la Cruz y el contramaestre, el de Castilla, y en nombre de los Reyes Catolicos se toma posesion de la nueva tierra y del mar que la baña. Los genios de America (Srita. Victoria Villaescusa) y de Guanahani (Srita. Trinidad Romero) dan la bien venida al Almirante y en union de todos entonan un himno acontecimiento.

Un cuadro plastico en el que toman parte todos los actores del cuadro, y una poesia dicha con maestria por la Senorita Maria Doria, siguio a la pieza referida que fue recompensada con aplausos.

Las decoraciones fueron pintadas por el Sr. Saenz, Profesor de Dibujo de la escuela, y fueron muy gustadas por el publico especialmente la del paisaje de la Isla, que tenia hermoso efecto.

El Director de escena, Sr. Prof. Alberto Morales es digno de aplausos por la propiedad con que monto el espectaculo y por su excelente direccion artistica.

La Composicion "America," leida por el Sr. Profesor I. Navarro, fue oida con agrado y la nina Silvia Picker lucio sus habilidades coreograficas en un hermoso bailable que merecio la repeticion.

Puede decirse que esta fiesta tuvo un exito que debe sotisfacer a sus infatigables organizadores, y a las personas que en ella tomaron parte.

The Fiesta de la Raza in Tijuana, Baja Cal.

The historical booklet "Colon", by Lic. Gorostieta was represented

TIJUANA, Baja California, October 21 .-- A literary-musical evening was held in the municipal assembly hall of this town, to celebrate the 427th. anniversary of the discovery of America. It was the progressive Professor, Mr. Dn. Manuel M. Doria. Director of the Official School of this town who organized this party, by agreement of the Governor and with the cooperation of the military and civil authorities of Tijuana.

The applause of the large public that occupied the room to the people who took part in the various numbers of the program demonstrated the degree to which this tribute to the distinguished discoverer was received.

Mr. Ing. Rafael M. Tello, was in charge of the official speech, skillfully developing the subject, making reference to the situation of the western world in the fifteenth century, to the philosophical and scientific ideas that prevailed at that time among the elements University students and intellectuals, all contrary to the theories that the illustrious Genoves tried to demonstrate. She followed him on his pilgrimage through the Courts of Southern Europe requesting pecuniary aid and moral support until he obtained them from Queen Elizabeth of Castile, and described his travel and arrival on the Island of Guanahani. He noted the influence of discovery on the evolution of European civilization and its effect on changing the trends of Europeans.

A group of young men and women from the town brought to the scene the historical dramatic booklet "Colon" by Lic. Enrique Gorostieta. The first painting takes place on board the "Santa Maria" on October 11, 1942. The crew headed by a sailor (Mr. Enrique Romero) manifests his misdemeanor

and refuses to continue the daring journey to the West, trying to assassinate the Admiral to be able to do it. The Petty Officer (Mr. Manuel Legrand) takes the defense of the Genoves, and makes the conspirators defer by one day the fulfillment of their threats.

Colon (Mr. Juan M. Doria) sadly sees that his brilliant company is about to be lost, he regrets this more than the danger he has of losing his life, but he does not lose hope. His genius (Miss Maria Amparo Villaescusa) encourages him and when the term achieved by the boatswain ends, the conspirators are about to carry out their sinister purposes, but the "land" voice gives for the watch of the caravel, makes the situation change.

The 2nd. When he represents the landing on the Island of Guanahani, the Admiral holds the standard of the Cross and the boatswain, that of Castile, and in the name of the Catholic Monarchs takes possession of the new land and the sea that bathes it. The geniuses of America (Miss. Victoria Villaescusa) and Guanahani (Miss. Trinidad Romero) welcome the Admiral and together they all sing a hymn event.

A plastic painting in which all the actors in the painting take part, and a poetry masterfully written by Senorita Maria Doria, followed the aforementioned piece which was rewarded with applause.

The decorations were painted by Mr. Saenz, Drawing Teacher of the school, and were very liked by the public, especially the one of the landscape of the Island, which had a beautiful effect.

The stage director, Mr. Prof. Alberto Morales, is applause for the property with which the show was staged and for his excellent artistic direction.

The Composition "America," read by Mr. Professor I. Navarro, was listened to with pleasure and the girl Silvia Picker showed off her choreographic skills in a beautiful dance that deserved repetition.

It can be said that this party was a success that must satisfy its tireless organizers, and the people who took part in it.

It looks like they moved to San Diego, CA sometime after Maria & Ramon were born, in the early 1900's. Maria and Ramon are probably the youngest, according to the 1920 census, this was 1917 for Manuel and 1918 for Maclovia. The photo taken of Manuel & Maclovia in 1919 (?) is stamped "Y. Shannon; San Diego." Not finding him on the 1933 directory of San Diego either (did find Alma, John N, and Manuel Jr).

Petition to Linares for support to make a chapel for the burial of Maclovia:
Deseo adquirir doce metros cuadrados de terreno en el panteon de esta Ciudad, con el objecto de eregir una pequena capilla sobre los restos de mi nunca bien llorada companera, cuya muerte tuve que lamentar en patria extrana.
Siendo escasos los recursos con que cuento para rendir ante postumo homenaje a la que fue noble esposa y madre modelo de virtudes y amor para mis hijos, me veo en la necesidad de acudir esa Honorable Corporacion para que cubra el valor de ese terreno se fija la cuota mas moderada que sea posible.
Para tal consideracion invoco mi largo perfodo de cuarenta y siete anos en las filas del Magisterio Nacional, desempenados con honradez y fervor circunstancia que me hace temer la certeza de no ver defraudadas mis esperanzas.
Hay sentimientos que el dolor mismo no permite exrernar ampliamente; para en nombre de ellos, bien interpretados por quienes llevan el corazon la nobleza y la generosidad, acudo a demandar esta gracia, que estoy seguro de ver cumplida dentro de mis aspiraciones.
Con la mas alta estima de mi gratitud, espero que la digna Autoridad representado por un ilustre Cuerpo, resolver de modo benevolo mi solicitud.
Protesto a Uds, el testimonio de mi profundo respeto.

Translation:
I wish to acquire twelve square meters of land in the pantheon of this City, with the aim of erecting a small chapel on the remains of my never well cried companera, whose death I had to lament in a strange homeland.
Being scarce the resources with which I count to render before posthumous tribute to the one who was noble wife and model mother of virtues and love for my children, I see myself in the need to go that Honorable Corporation so that it covers the value of that land the more moderate fee that is possible.
For such consideration I invoke my long period of forty-seven years in the ranks of the National Magisterium, performing with honesty and fervent circumstance that makes me fear the certainty of not seeing my hopes disappointed.
There are feelings that pain itself does not allow to extend widely; for in their name, well interpreted by those who carry the heart of nobility and generosity, I come to demand this grace, which I am sure to see fulfilled within my aspirations.
With the highest esteem of my gratitude, I hope that the worthy Authority represented by an illustrious Body, will solve my request in a benevolent manner.
I protest to you, the testimony of my deep respect.
